Important instructions

1. You are advised to verify your name and photograph carefully.
2. You are allowed to appear only in those papers which are shown above.
3. You should contact the MUJ helpdesk at helpdesk@mujonline.edu.in if there is a mismatch in the subjects or electives printed on the e-admit card.
4. Examination timing is fixed. You have to log in to the Examination portal within 10 minutes of the commencement of examination time.
5. All the examinations will be remotely monitored by the University and online proctored for the duration of the examination.
6. Use a high-speed Internet-connected Windows OS-supported Desktop/Laptop, which is equipped with a webcam & microphone, to take the online proctored examination.
7. Ensure that both webcam and microphone are always ON. At any point, if your webcam or microphone is not connected or functional, the learner will be booked for unfair means/malpractice.

8. Learner should not move from their place once the examination has commenced. Learners who violate this will be booked under unfair means/malpractice, and their examination will get auto-submitted.
9. You are not allowed to use external calculators, statistical tables, scientific tables, mobile phones, tablets, search engines, AI tools, or other laptops/devices/gadgets as that would be considered unfair assistance and learners would be booked for unfair means/malpractice.
10. Calculators, Statistical tables, annuity tables, etc., are available in the examination tool which can be used for calculations.
11. In all Multiple-Choice Questions (MCQs), each question will have only one correct or most appropriate answer. The answer must be indicated by selecting the appropriate button in the examination tool.
12. Descriptive answers must be typed directly into the examination tool.
13. Your examination will end once you click the submit button and exit the examination.
14. Students should be dressed decently in formal/smart casuals /semi-formals while appearing for examinations.
15. Please go through all the important instructions given at the start of the examinations.
16. Note: for practical exams, you need to log in to the learning portal(LMS), navigate to the practical subject as per the exam schedule, and then click on the virtual lab option to start the exam. (login to learning portal using university email ID and password).
